<u>471-000-53 Nebraska Medicaid Billing Instructions for Ambulance Services</u>

The instructions in this appendix apply when billing Nebraska Medicaid, also known as the Nebraska Medical Assistance Program (NMAP), for Medicaid-covered services provided to clients who are eligible for <u>fee-for-service</u> Medicaid or enrolled in the Nebraska Health Connection Medicaid managed care plan <u>Primary Care +</u>.   Medicaid regulations for ambulance services are covered in 471 NAC 4-000.

<u>NOTE:</u> For ambulance services provided by a hospital, see regulations outlined in 471 NAC 10-000 and billing instructions in 471-000-52.

Claims for services provided to clients enrolled in a Nebraska Medicaid managed care health maintenance organization plan (e.g., <u>Share Advantage</u>) must be submitted to the managed care plan according to the instructions provided by the plan.

Third Party Resources: Claims for services provided to clients with third party resources (e.g., Medicare, private health/casualty insurance) must be billed to the third party payer according to the payer's instructions. After the payment determination by the third party payer is made, the provider may submit the claim to Nebraska Medicaid. A copy of the remittance advice, explanation of benefits, denial, or other documentation from the third party resource must be submitted with the claim. For instructions on billing Medicare crossover claims, see 471-000-70.

Verifying Eligibility: Medicaid eligibility, managed care participation, and third party resources may be verified from –

1. The client's monthly Nebraska Medicaid Card or Nebraska Health Connection ID Document. For explanation and examples, see 471-000-123;
2. The Nebraska Medicaid Eligibility System (NMES) voice response system. For instructions, see 471-000-124; or
3. The standard electronic Health Care Eligibility Benefit Inquiry and Response transaction (ASC X12N 270/271). For electronic transaction submission instructions, see 471-000-50.

CLAIM FORMATS

Electronic Claims: Ambulance services are billed to Nebraska Medicaid using the standard electronic Health Care Claim: Professional transaction (ASC X12N 837). For electronic transaction submission instructions, see 471-000-50.

Paper Claims: Ambulance services are billed to Nebraska Medicaid on Form CMS-1500, "Health Insurance Claim Form." Instructions for completing Form CMS-1500 are in this appendix.   The CMS-1500 claim form may be purchased from the U. S. Government Printing Office, Superintendent of Documents, Washington, D.C. 20402 or from private vendors.

Share of Cost Claims: Certain Medicaid clients are required to pay or obligate a portion of their medical costs due to excess income. These clients receive Form EA-160, "Record of Health Cost – Share of Cost – Medicaid Program" from the local HHS office to record services paid or obligated to providers. For an example and instructions on completing this form, see 471-000-79.

When billing for more than one transport, the medical necessity for each transport must be substantiated. Nebraska Medicaid may request additional documentation prior to payment of a claim if medical necessity is not substantiated.
